ERRATUM NOTICE

In Jasmine Gonzales Rose's article (*A Critical Perspective on Testimonial Injustice: Interrogating Witnesses' Credibility Excess in Criminal Trials: A Comment on Federico Picinali's "Evidential Reasoning, Testimonial Injustice and the Fairness of the Criminal Trial"*), we have identified the following errors.

The reference to Sarah Lackey should be amended to Jennifer Lackey (paragraph 7)

The bibliography requires the same amendment. The reference should read Lackey, J. (2023).

Harper Lee's fictional character from the novel *To Kill a Mockingbird*, which is referenced at the article, is sometimes referred to as "Tom Johnson" (paragraphs 10-13). The correct name is Tom Robinson.

In the bibliography, the reference to David, E. (2016) is erroneous. It should be amended to read Davis, E.
